MARKETING INFORMATION

Event Marketing

NASS is the sole provider of CME credit at the Annual Meeting between the hours of 7:30 a.m.–7:00 p.m. CME credit cannot be provided for presentations offered by exhibitors in the Exhibit Hall.

Booth representatives may distribute Innovative Presentation promotions from within the confines of their assigned exhibit space. All materials (signs, flyers, web information) regarding the Innovative Presentation session must be approved in advance by NASS.

Distribution of approved materials is not approved in the exhibit hall aisles, in the Canyons Resort lobbies or public areas, or anywhere else in the Canyons Resort property such as hotel lobbies or restaurants.

Invitation/Promotion Content

Any and all announcements, invitations or solicitations, including envelopes, advertising, websites, etc. must receive NASS approval prior to distribution or posting. Be certain to factor this requirement into your timeline for preparing copy, reviewing proofs and printing materials. Also, to avoid potential delays or misunderstandings, be certain that all employees of the organizer and all agents are made aware of these policies.

Implied NASS Endorsement Prohibited/Use of NASS Name, Logo or Seal

Neither the meeting name nor NASS name, logo or seal may be used. Any exhibit sponsored events must be labeled to indicate that they are not planned, endorsed, hosted or sponsored by NASS. There can be no implication in any promotional materials, on-site materials or after products, that they are connected with the meeting, presented in cooperation with NASS, or endorsed by NASS. In describing your events, you may not use phrases such as “presented in conjunction with,” “preceding,” or “prior to” the meeting.

NASS Approval of Materials

Invitations and marketing materials must be submitted to NASS for approval by January 30, 2019. *Please note: Do not print any pieces until you have received approval. NASS is not responsible for any costs incurred for changes that necessitate the reprinting of materials.*

Marketing Guidelines

- Do NOT use the NASS logo or any reference to NASS in promotions for your event.
- Be sure to include on your promotions/invitations: “This is strictly a promotional event and is not approved for CME credit.”
- All invitations must be approved by NASS prior to printing.
- Mailing unapproved invitations may result in the cancellation of the event.

Investigational or Unlabeled Use Discussions

As established by the ACCME Standards for Commercial Support for Continuing Medical Education, when an unlabeled use of a commercial product or an investigational use not yet approved for any purpose is discussed during an educational activity, the accredited sponsor must require the speaker to disclose that the product is not labeled for the use under discussion or that the product is still investigational. This disclosure should be given verbally during the event and in writing on syllabus materials.

Violation Policy

To protect the integrity and the quality of satellite events and to ensure a successful outcome for all involved parties, NASS requires each satellite event provider to agree that they, their employees, speaker(s) (if applicable), activity organizers and commercial supporters will observe all applicable NASS, ACCME, AMA and AdvaMed Guidelines. NASS reserves the right, in its sole discretion, to restrict and/or dismiss at any time any event which it deems undesirable, in poor taste or offensive to attendees.

Presentations must be in compliance with the AMA's Ethical Opinion on Gifts to Physicians from Industry, FDA Guidelines and AdvaMed. Although it is the responsibility of individual physicians to comply with this code, every effort should be made to ensure that attendees are not put in a situation that would be considered a violation of these guidelines.

NASS reserves the right to restrict and/or dismiss at any time any exhibit that it deems undesirable. In addition, infractions can also result in losing the privilege to participate in future events held in conjunction with NASS' Annual Meeting.
